The Year in Review . . .

Looking back on **2023**, we are so grateful to the Lord for His guidance and provision. He continues to supply every need of Solid Ground Ministries, including excellent teachers and administrative staff, volunteers, students, finances and a wonderful facility for which we are so grateful.

In the fall, we began holding in-person prayer gatherings, with a focus on ministry needs. We met twice a month, once after Wednesday's morning classes, and once before the Thursday afternoon class. We plan on continuing this ministry in 2024!

We are excited the Solid Ground **Library** was back open for borrowing! It is our desire to provide our students with biblically based resources which strengthen and support their faith walk with God and provide guidance through life's challenges. ***We invite you to come and check it out!***

In December, Solid Ground hosted "**A Conversation with Etti Shoshani from Jerusalem**". Etti is a Messianic Jew and long-time friend of Solid Ground. Etti talked with Ruth about life in Jerusalem since the Oct 7th attack.

Since the events of October 7th, we are even more aware of the need to stand in support of Israel. Etti shared stories of miracles and God's blessings during these difficult times. We also made available on our website, an in-depth study entitled "**Whose Land is it Anyway?**". This study provides the Biblical basis for understanding the ongoing conflict in the Middle East. *We encourage you to watch it and to pass it on to others!*

Looking ahead to 2024, Solid Ground will be tackling the big project of updating our website, along with other computer updates. We are so grateful for the technology which allows us to teach, meet and share the Word of God, therefore we strive to remain current and up-to-date in our ability to serve our students. Your prayers and gifts for this endeavour are very much appreciated. Thank you once again for your ongoing support of Solid Ground Bible Study Ministries
