Course Description:

There is a general perception in the church today that God is 'done' with the Jewish people and therefore, the present nation of Israel is of no importance or consequence in the plans of God. They argue that God has replaced the ethnic nation of Israel with the church and thereby, transferred all the promises He made to Israel to us. Nothing could be farther from the truth!

Paul says emphatically... *"I say then, God has not rejected His people, has He? May it never be!..."* (Rom 11: 1a)

To believe that God has abandoned His people Israel was unthinkable to the apostle Paul who went on to warn the church to never think we have replaced Israel! It is in contradiction with the very character of God and the truths of His Word and has far reaching implications for us in the church today.

Come and join us as we examine what Replacement Theology is, why it is so prevalent in the church today and why this teaching is dangerous. Thankfully, God has not remained silent about this issue and has much to say about it in His Word.

John has been a student of God's Word for many years and has a deep love and sense of awe for the Scriptures. He loves to share the truths of God's Word so that His people may grow in their love for their Saviour and live a faithful life of obedience unto Him.

John and his wife Joy are parents of four children and make their home in Stratford, Ontario.
