

“Satan is most effective in the church  
when he comes not as an open enemy,  
but as a false friend;  
not when he persecutes the church,  
but when he joins it;  
not when he attacks the pulpit,  
but when he stands in it.”

John MacArthur

# What does it mean??

❖ is a sacrament of the New Law instituted by Christ in which forgiveness of sins committed after baptism is granted through the priest's absolution to those who, with TRUE sorrow confess their sins and promise to satisfy for the same.

***Purgatory*** is "the final purification of the elect" by which "all who die in God's grace and friendship, but still imperfectly purified, are indeed assured of their eternal salvation; but after death they undergo purification, so as to achieve the holiness necessary to enter the joy and happiness of heaven."

*Because of the communion of saints, the faithful who are still pilgrims on earth are able to help the souls in purgatory by offering prayers in suffrage for them, especially the Eucharistic sacrifice.*

### What are relics?

Relics are material items that are connected to a saint and are sorted into three “classes.” A first-class relic is all or part of the physical remains of a saint. This could be a piece of bone, a vial of blood, a lock of hair, or even a skull or incorrupt body.

A second-class relic is any item that the saint frequently used (clothing, for example). A third-class relic is any item that touches a first or second-class relic.

Catholics are known to preserve relics of saints and it is believed that graces from God flow through these objects to devout souls who venerate them.

## TRANSUBSTANTIATION

The Transubstantiation is the sacramental act by which the substance of the bread and wine is changed into the substance of the Body and Blood of Christ.

This great miracle, which happens in every Mass, cannot be rationally demonstrated, but is accepted by faith.

The church no longer believes in a literal hell where people suffer. This doctrine is incompatible with the infinite love of God. God is not a judge but a friend and a lover of humanity. -Pope Francis

## INFALLIBILITY VS IMPECCABILITY

Papal Infallibility means that the Pope, when pronouncing definitively and dogmatically on matters of faith and morals is **protected from teaching errors**.

Infallibility **IS NOT** the same as impeccability, or the inability to sin. Only Our Lord Jesus and His Blessed Mother are impeccable. The Pope is a sinner, and our humble Pope would be the first to admit it.

Pope  
Boniface VIII

*Extra ecclesiam nulla salus*

“outside the Church there is  
no salvation”

“We are compelled in virtue  
of our faith to believe and  
maintain that there is only one

holy Catholic Church, and that one is  
apostolic. This we firmly believe and profess  
without qualification. Outside this Church  
there is no salvation and no remission of  
sins...

Furthermore, we declare, we proclaim, we  
define that it is absolutely necessary for  
salvation that every human creature be subject  
to the Roman Pontiff.”

~ Pope Boniface VIII (1302)

6. the “church” presumed to improve upon the prescription of the NT by concocting teachings and practices utterly absent in the first church
7. the progression of the Roman Catholic church seems to have been motivated mainly by the desire for power
8. the Church has only one authoritative supreme Head, Jesus Christ Himself
9. Some individuals and groups arose attempting unsuccessfully to reform the catholic church, well before the time period we know as THE REFORMATION
